## What is a McKenzie Friend?

Bath Family Law can act as a McKenzie Friend to ensure you are supported throughout the entirety of your journey through the legal system. A McKenzie Friend cannot represent you, however, can provide reassurance and support at all stages of the process.

Specifically, Bath Family Law will meet you and provide an hour of pre and post-court guidance, this will ensure you have a full understanding of the process and any expectations, as well as, an understanding of any decision, new deadline or ruling that may have been decided by the judge.

Although we cannot directly represent your case, we will be alongside you in the courtroom; you will have endless opportunities to confer with us throughout your hearing and we can assist you by ensuring all relevant matters are discussed in the telling of your personal story. The judge will rely on the information provided to reach a decision, therefore, it is important every stage of your journey is informative from the initial application to the hearing itself, so seeking support is the first step to resolution.
